Dear Parents/Guardians,

Summertime is reading time! All Pleasant Valley High School students are required to read two (2) books over the summer. Students in grades 9-12 must choose their books from the approved booklist available on the PVHS Library web site. Students are expected to complete a handwritten, double-sided journal for each book read. On, Monday, August 27th, the first day of school, all students will submit their completed journals to their English teacher.

Students may borrow books from the library or purchase them. A list of area book stores and online book stores can be found on the Summer Reading Pathfinder available on the PVHS Library web site. The pathfinder includes the booklist with over 600 titles and the double-sided journal template. Students may browse the booklist by author, title, genre, and book level.

Many of the summer reading titles are available as eBooks on OverDrive. OverDrive allows you to read instantly on almost any device—eReader, computer, tablet, phone, etc. Students may access the program by visiting ciu20.lib.overdrive.com and logging in with their PV login and password. Additionally, Western Pocono Community Library card holders may also check out resources from the public library’s OverDrive collection.

With parental permission, students have the option to check out up to two books from their school library over the summer. You may view a hard copy of the Summer Reading Booklist by visiting the Pleasant Valley High School main office. A Summer Reading Fact Sheet, Book Choice Organizer, and Double-Sided Journal Templates are enclosed.

Sincerely,

Matthew R. Triolo
