Citation has 3 Containers:

- Database
- Article
- Reference Source
The information for the Database and Reference Source Containers is the same. You will only need to edit the Article/Entry Container.
Sheldon Goldfarb has a Ph.D. in English and has published two books on the Victorian author William...

Here is the citation. You can always go back and edit.
Click "Edit annotation" to add an annotation to the citation.
What to Include in the Annotation:

• Who is the author? What are his/her credentials?
• Which literary element(s) are discussed in the essay?
• What is the main idea of the essay?
• How is it relevant to your thesis?

The introduction may help you with the annotation by providing information about the author and/or focus of the essay.
Click In-text reference for help in creating a parenthetical citation.
