Citing a Photograph from a Website in NoodleTools

If the photograph is of the following:
• Architecture
• Artifacts
• Works of fine art (i.e. paintings, sculptures)

... then you must cite the architecture, artifact, or work of fine art itself -- NOT the photograph!

(If this is the case, open “Works of Fine Art” tutorial instead.)
Under Sources, Click + Create new citation
Select website.
Select Photo or Illustration
Citation has 2 Containers:

William Keegan's In My View

Remember the Great Depression? No, it doesn't seem that anyone does
William Keegan

Alarming global economic trends, policy misapprehensions, lack of leadership—for those who have studied the Great Depression, today's crisis looks unsettlingly similar.
