June 2018

Dear Parent/Guardian,

The Pleasant Valley High School Library will be offering students the opportunity to borrow books from the school library for summer reading. Students may check out two (2) books beginning June 1st to June 13th to read during the summer. Books will be due back to the High School Library on Thursday, August 30, 2018.

Books checked out for summer reading will follow the same guidelines as books checked out during the school year. Books returned late, after August 30th will be subject to a daily overdue fine. Books lost or damaged will be billed for the replacement cost plus a $5.00 technical processing supplies fee.

If you would like your child to check out library books for the summer, please fill in and sign the form below. Students must return this signed form to check out library books over the summer.
