Full Text:

**Immigration to the United States**

- **EARLY IMMIGRATION LAWS**
- **IMMIGRATION IN THE TWENTIETH CENTURY**
- **BIBLIOGRAPHY**

A disproportionately large part of the history of immigration to the United States, and much of the history of legal deliberations over immigration policy, has been shaped by a preoccupation with whether or not the migrants in question were understood to be racially "white." In other words, the determination of U.S. immigration and citizenship law—and thus the very definition of who has been recognized as eligible to become a genuine "American" and a legitimate member of the U.S. national polity—can only be adequately understood in relation to a sociopolitical order of white supremacy.

**EARLY IMMIGRATION LAWS**

In what was the first legislative determination of access to U.S. citizenship, and, in effect, the first official definition of U.S. nationality, the first Congress of the United States legislated in the...

- IMMIGRATION HISTORY
- BIBLIOGRAPHY

A disproportionate share of legal immigrants have come to the United States, and much of the history of legal immigration has been shaped by a preoccupation with the issue of who was considered to be racially "white." In other words, immigration law—and thus the very definition of who has been recognized as eligible to become a genuine "American" and a legitimate member of the U.S. national polity—can only be adequately understood in relation to a sociopolitical order of white supremacy.
