Opposing Viewpoints in Context Tutorial

Viewpoint articles, topic overviews, statistics, primary documents, selected web links, and full-text periodical articles on social issues.

At home you will need the Gale Databases user name and password from the library’s Gold Sheet.
Search terms as Keywords

Scroll to the bottom and click search
Notice all the different format types
The **Viewpoints** link will give you articles on both sides of the issue; you may want to find one that supports your stance. Keep in mind that these articles may be **biased**!
To navigate back use the breadcrumbs at the top
Be sure to consult the Printing Tutorial before printing your article!
